

## FAQ'S FOR RECITAL 2021

Q: Does my dancer have to wear their costume the week of rehearsals at the studio?

A: Yes! This week is DRESS REHEARSAL WEEK and all dancers should arrive at each rehearsal in full costume, hair, and makeup. Studio 2 will be used as a dressing room so please bring all costumes needed for that day.

Q: Are masks required for the dancers?

A: Yes, masks are required for all dancers AND attendees. The style of mask per class is still being determined. If we have to wear masks, we may as well make them part of the costume!

Q: When I drop off my dancer before the recital, do I leave and come back at showtime?

A: Yes, due the occupancy rule we cannot have additional people in the building unless you have signed up to chaperone during the show.

Q: How many tickets can I purchase and how can I pay?

A: At this time we are still calculating the amount of tickets per family. However, if you do not need the allotted amount please let us know ASAP so that we can distribute to others. Some dancers are in both shows so you may have to decide which show family members can attend. We accept cash, check and Venmo.

Q: Will there be tickets available at the door?

A: It is unlikely we will have tickets available at the door this year but families will be notified of any unsold tickets. Cash only will be accepted at the venue if available.

Q: Can I take pictures and/or videos during the show?

A: No. Pictures and video are not allowed during our performances. A dvd of all dances from both shows is available for purchase on your ticket order form.

Please note that these are just a few common questions. More detailed info per class will be distributed as the show draws near. We welcome you to email us with any questions/concerns you feel have not been covered.
